a new class,
The Way of Mastery

Charles and Rev. Patricia Mawson co-facilitate this class.

**This is an on-going class until the book is fully read,
usually about a year.**

**This is excellent material, teaching Universal Principle in a
Heart-Centered approach.**

At Unity in the Olympics we are abundantly blessed with children and young families.

We have dedicated instructors poised to teach Children's Church. We'd love to have young families in church for their energy and to bless their children with a Unity upbringing.

The still, small voice calls me to my center of peace.

I am open to the peace of God within.

I am at peace.

The peace of God lives within the quiet of my heart.

MEETING

**Inette Miller &
'Iokepa 'Imaikalani**

Guest Speakers

**“Empowering Aboriginal Hawaiian Chanting,
Ancestral Stories, and Traditional Hawaiian
Peacemaking Technique”**

'Iokepa is a Native Hawaiian, who relinquished “everything I'd worked for all my life” to embrace his aboriginal identity and reawaken his ancestral culture.

Inette is a Jewish woman, who surrendered a privileged writer's life to join him, camping on Hawaiian beaches with little food and no money, and walking the paths of his ancestors.

Together, they packed all they owned into three suitcases and began their ancestor-driven Return Voyage across America. Their message: what Native Hawaiians lived for 12,000 years – ritual practices that prevented war – have profound implications for the 21st century.
