“Receiving as a Virtue...How to Center on Self and Avoid Burn Out.”

“Karen grew up in Eureka, Kansas. A little more than halfway through life she discovered ‘New Thought’ philosophy. She has served as a Prayer Associate at Silent Unity and became a Licensed Unity Teacher. She was instrumental in giving Unity Books a new image and has spoken at events and services promoting Unity writers. Karen ‘Church lady’ King has been an active member of Unity and Science of Mind groups for 30 years. Her purpose in life is to inspire and to help seekers find Joy as they move forward on their spiritual journey.”

We at Unity in the Olympics are abundantly blessed with children and young families.

We have enthusiastic instructors poised to teach Children's Church. We'd love to have young families in church for their energy and to bless their children with a spiritual upbringing.
